Welcome to Year 3

Land use and settlements in the UK:

This half term Yaer 3 will be focusing on how land is used throughout the country. Our objectives are

- **Where are mountains and hills in the UK?**
- **Which seas and oceans surround the UK?**
- **Where are rivers located in the UK?**
- **Where have people chosen to settle in the UK?**
- **What are the counties of the UK?**
- **How is land used in the UK?**

What else is going on in Year 4?

Maths: addition and subtraction. Multiplication and division.

Science: rocks and fossils

RSE: We don't have to be the same. Respecting our bodies.

Art: Growing artists.

PE: OAA

Spanish: Introduction into Spanish.

English in Year 3:

In Literacy, the children will be going on a fairy tale journey that will allow children to develop detailed character descriptions, build a story mountain and tell parts of their very own fairy tale.

Catholic Life and RE in school this half term:

This half term in year 3 we will be focusing the importance of prophecy and promise.

As we build up to Christmas children will look at the journey of advent in the build up to our celebrations of Christ's birth.

KEY INFORMATION FOR THIS HALF TERM:

- Our PE day will be Monda this half term.
- Please ensure children are reading regularly at home.
- Please ensure children are using TTRockstars at home as well!
