

Our Mission

*'Achieving excellence
together, with God's love.'*

*At St Francis Xavier Catholic Primary School
we strive to live out the Gospel in the way Jesus teaches us to*

*We celebrate the diversity of our school community and
value each person as unique; made in God's image and
likeness*

*We work together, through God's love, to enable our pupils
to achieve excellence in all aspects of their education*
