

19th October 2020

Dear Parents and Carers,

In the academic year 2020/21, Relationships Education and Health Education will become statutory in all primary schools in England. This new subject will build on the non-statutory lessons we have previously taught in RSE.

As a Catholic school, our mission is to support the spiritual, moral, social and cultural development of all of our pupils, rooted in the wisdom and teaching of the Church. The education of children in human sexuality is an important, precious and privileged responsibility. The Church teaches us that this is very much a partnership with parents, in which parents are the 'first educators' of their children on these matters; ultimately, you confer on us the right to co-educate your children with you.

We have been researching various programmes that are available. Life to the Full by Ten Ten Resources is the Diocesan recommended programme. Ten Ten is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work.

Furthermore, Ten Ten have entered into a partnership with the Catholic Education Service and the Department for Education to provide training for teachers in Catholic schools on the subject of the new statutory curriculum. Therefore, we are confident that this programme is a very good fit for our school.

Through their programme, Ten Ten understand the foundational role that parents have in educating and nurturing their children on these matters. Within the programme, they have built in resources which will not only keep you informed about what is being taught in school, but will also give you the opportunity to engage your children in discussion, activity and prayer.

We would like to have your feedback on our approach, and particularly on the key decisions that we need to take regarding the teaching of certain topics. To this end, we have opened a consultation period during which we welcome your feedback.

Ten Ten have provided an online Parent Consultation Tool. This is a simple-to-follow, short online course which:

- Outlines the statutory changes that will take place.
- Articulates a vision for Catholic Relationships and Health Education.
- Explains how Life to the Full aims to help us fulfil the statutory curriculum with a Catholic ethos.
- Provides some information about key decisions we need to make, in consultation with parents.
- Answers some Frequently Asked Questions.

Ten Ten have also provided an Online Parent Portal which will be a tool we can use throughout the year to keep you informed and updated about the work we are doing in school.

Here, you can engage with the teaching and deepen the experience for your child. To access the online parent platform please visit: www.tentenresources.co.uk/parent-portal

To take part in the consultation, please do the following:

- Access the Parent Consultation Tool here: <https://www.tentenresources.co.uk/parent-consultation-primary/>
- You will need the following login credentials for our school:
 - School Username: st-francis-xavier-dn4
 - School Password: garden-bench-2
- Undertake the Parent Consultation course provided.
- Send us your feedback via the questionnaire by 31 October 2020 here

We hope that our approach not only assures you about the new subject we are going to undertake. This will be an important and exciting opportunity for our entire school community.

Life to the Full is intended to be partnership between home, school and church. We know that you already do a fantastic job and we see our new programme, Life to the Full, as a means to further develop, support and enrich the partnership between home, school and church so that your child is fully supported. Thank you for your continued support. If you have any further questions, please do not hesitate to ask.

Yours sincerely,

Mr J. O' Connor
Head of School and Religious Education Leader
