The Holy Spirit

Throughout June, we have been reflecting upon the gifts of the Holy Spirit through our celebrations of the word, prayer and liturgy. The children have celebrated the solemnities of Pentecost, The Feast of the Holy Trinity, Corpus Christi and the Feast of St Peter and St Paul.

The Sacred Heart of Jesus

Throughout June, we have been reflecting upon the Sacred Heart of Jesus, a powerful symbol of Christ's mercy and sacrifice.

Prayer Intentions

This month, please join our school community in praying for all of those impacted by war and conflict around the World. We pray in particular for those in Iran and Israel at this difficult time.

Year Six Transition days

All Year 6 children should now have received communication from their child's secondary school regarding transition days. Please contact the school office if you have not received any information or have any questions.

Sports Day!

Thank you all of our guests who joined us for Sports day on Friday the 20th June. Congratulations to the **green team** who scored the most points on the day.

Sun Safety

As the weather gets warmer, please ensure that you send your child to school with sun cream already applied and a hat. Please ensure your child has a water bottle every day in school.

Whole School Transition Day

On Wednesday 9th July, we will be holding a whole school transition day. Children will move to their new class for the morning and meet their new teacher.

Year 5 and 6 Residential to Kingswood

Thank you to all of our children for representing our school so beautifully whilst on residential. We will be booking our residential for next year in the upcoming months. We are glad you all had a lovely time.

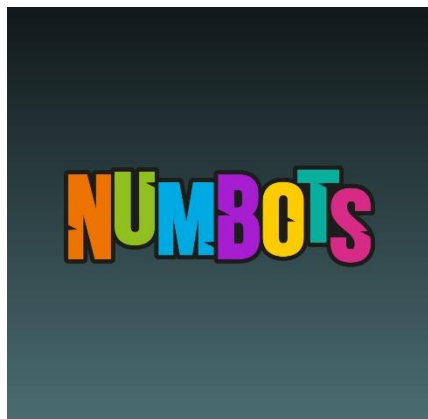

Breakfast Club

We run a school breakfast club from 7:30am every day. The cost of Breakfast Club is £2.50 per day. There is a range of breakfast options available including toast, cereal, waffles and fruit. At breakfast club the children are supervised by teachers and members of school staff and have the opportunity to take part in a range of learning and fun activities with their friends. Breakfast club places do not need to be booked in advance, you can simply turn up anytime from 7:30am-8:20am at the entrance to the school hall.

Maths at Home!

At St Francis, we subscribe to a number of online learning platforms so that your child can continue learning maths at home by completing online learning tasks set by and monitored by their class teacher. Those pupils who access these programs regularly at home make significantly accelerated progress in their learning and attainment. Your child's log in details can be found in their reading records. Each program can be accessed through a web browser or by downloading the app for free. For further information, speak to your child's class teacher. It has been a joy to see so many of our pupils engaging in hours of extra learning at home so far this term – keep up the good work everyone!
