

Year 4 Newsletter

United States of America:

Over the next 6 weeks and summer term, year 4 will be taking a close look into the USA and its geography.

- Where in the world is the USA?
- What are the states of the USA and how do their populations vary?
- What is the physical landscape like across the USA?
- What are some of the most significant human-made landmarks in the USA?
- What is California like and who lives there?
- What is it like in New York State and in New York City?

What else is going on in Year 4:

Maths: Position and direction. Reasoning with patterns and sequences. 3-D shapes

Science: Electricity

RSE: community of love. What is the church? How do I love others?

DT and Music: Electrical systems. Rock and roll.

PE: Athletics

Computing: iProgram

Spanish: Habitats

English in Year 4:

To further enrich our topic

of the USA we

will be reading a book

called 'Stuart Little'

by E. B. White.

We will also be writing an adventure narrative and an information text.

Catholic life and RE in school this half term:

This half term Year 4 will be learning about:

- Dialogue and Encounter

This will allow the children to delve deeper into St Paul, his work and his importance in our lives today.

This half term will also allow the children a chance to explore other religions making comparisons to Catholicism.

Key Information for this half term:

- Our PE day will be on a Monday.
- After school clubs will start on the first week back.
- Children are encouraged to read daily as this will massively benefit the children across the curriculum.
- Children are also encouraged to use TTRockstars daily as this will massively help their recall and fluency within maths.
